

MHCC Scholar to Receive Law Degree

Heraclio Pimentel Jr.

In the spring of 2018 Heraclio (Rac) Pimentel Jr. will receive his law degree from the University of California Davis School of Law.

The Mission Hills Employee Scholarship Fund has been helping to make this happen. Rac was awarded a scholarship starting with his Bachelor's Degree at UC Irvine. He then taught English in Japan and upon returning to the U.S. started a career in acting. His road to law school has been inspirational, especially to his three younger siblings, all whom have graduated college with MHESF scholarships.

The Mission Hills community has been making a difference in Rac's educational experience. Because of the scholarships he has been able to focus on his studies and career-related extracurricular activities (UC Davis Law Review, the boards of several law school clubs, interning at the California Energy Commission) rather than taking part-time work. This focus shows up in his 3.81 GPA. Good work Heraclio!

Heraclio (Eric) Pimentel Sr. has worked in MHCC Golf Course Maintenance for almost 28 years.
