

*Helping To Change Lives,
One Scholarship At A Time.*

FEBRUARY
17 AND 18

2012

WE NEED YOU!

The Scholars' Festival raises over \$125,000 a year to allow employees and their families to continue their education. Over five years scholarships have been awarded to 41 students, plus 17 employees have attended ESL classes (English as a Second Language). High school students have received guidance counseling to help achieve success in order to graduate and move forward with technical training or college.

This fun event brings the total Mission Hills membership together – golf, tennis, croquet, fitness and social members. Over 650 members participated last year!

TO MAKE THIS HAPPEN, WE NEED VOLUNTEERS TO:

- Solicit Silent Auction items
- Write copy
- Promote at our clubs within the club
- Help coordinate sports activities
- Assist behind the scenes
- Volunteer at the event

Our devoted group of volunteers are fun to work with and ready to welcome you into the fold to insure Scholars' Festival 2012 is the best ever.

**THANK YOU IN ADVANCE FOR ANYTHING YOU CAN DO
TO HELP THIS VERY WORTHWHILE CAUSE.**
